Annual General Meeting 2024

This year's Annual General Meeting will be on Thursday 25th April at 7.30 PM.

The committee would also welcome any members requests for information regarding financial, or otherwise prior to the AGM so that a full response can be given on the night. If we get verbal requests on the night, answers cannot be guaranteed.

We are looking for a large attendance, a minimum of Thirty members is required to form a quorum.

Future Newsletters

This newsletter edition will be the last one produced by myself as I am not seeking re-election to the committee at our upcoming Annual General Meeting. I will be retiring exactly 45 years since I was first elected as a committee member in 1978..

However I'm sure that a member of next years committee will take on the role and I will give any help required.

LET'S HAVE A LAUGH -

A little five year old girl was usually driven to school in the mornings by her Grandad, but one day he had a bad cold so her Grandmother took her. That night the little girl told her parents that the ride to school with Granny was very different. What made it different? asked her parents. Well, she replied, Gran and I didn't see a single tosser, blind bastard, foreign prick or wanker on the whole journey.

A sexy young woman walked up to the bar and said to the barman, "May I speak with your manager?"

The barman, eager to help says, "Can I help You?"

She said, "Its kind of personal"?

"I'm sure I can help,? he insisted.

She smiled and slipped two of her fingers suggestively into his mouth. H was instantly turned on and began to suck them.

Then she leaned over and whispered in his ear. "Tell your manager there is no toilet paper in the ladies toilet.

A little man walked into a bar and slipped on some dog poo by the door.

Moments later a burly biker came in and slipped on it as well.

The little man says, "I just did that."

So the biker hit him.

A rough biker took his new girlfriend to a trendy restaurant for a treat.

While they were enjoying their meal they overheard the man at the next table ask his wife,

"Pass the honey, honey."

Then on the other side a man was saying to his date: "Pass the sugar, sugar."

Trying to let his girlfriend know that he could also be romantic, he leaned over and said, "Pass the bacon, pig."

Little Johnny asked his dad, "Do you or mum keep birds in your bedroom?"

"No," said his father "why do you ask?"

"Well" said Johnny, "last night I was passing your room and I

heard you say to mum:" "Do you want to swallow or should I let it Fly."

A man was sitting in a bar with his dog. After a few minutes an attractive woman came in and began to make a fuss of the dog. The man told the woman that the dog had a unique talent—it could perform oral sex on women. The woman was initially horrified but after a few drinks she started to get intrigued by the idea and suggested that perhaps the dog could demonstrate its special trick on her.

So they all went to her apartment where she took off all her clothes and lay on the bed in anticipation.

The man stood next to the dog and commanded: "Okay boy, go get it."

The dog didn't move an inch.

The man issued a second command, but the dog remained motionless

Finally in exasperation, the man said, "Okay, boy, I guess I'll have to show you one last time."
